

Dogwood Choice Board

Optional Learning Opportunities for our 5th Grade Dolphins!

May 4th - 8th

Below are some choices to help you learn while you are at home.

You can share finished work on Seesaw!

*Don't forget to check the GMSD website for additional resources & recommendations.

ELA	<p>Reading</p> <p>Use the link below to read the articles about being kind to others!</p> <p>https://tinurl.com/v8ua47ek</p>	<p>Strategies</p> <p>Using the articles linked in Reading Passages, answer the questions 1-14.</p> <p>https://tinurl.com/v8tc5wlz</p>	<p>Vocabulary</p> <p>Complete the Frayer Model vocabulary web using each of the six words from the articles: Morbid, Infringes, Ignorant, Confronted, Empathetic, Intervening</p> <p>https://tinurl.com/vafw9avz</p>	<p>Writing</p> <p>Using the articles linked in Reading Passages, answer the writing prompts included in the link here.</p> <p>https://tinurl.com/v8ssr6cg</p>	<p>Conventions</p> <p>See if you can challenge your peers to a homemade kahoot or quizlet! Using 15 sentences with grammatical errors challenge them to find the mistake!</p>
Math	<p>Decimals</p> <p>Click the 1st link & solve the riddles by correctly multiplying with decimal factors.</p> <p>Click the 2nd link to practice place value understanding using Place Value Pirates online game.</p> <p>https://tinurl.com/v9omfwvm https://tinurl.com/v6inazkp</p>	<p>Fractions</p> <p>Click on the first link below for a great review of multiplying and dividing fractions.</p> <p>Click the 2nd link for a fun online game while you review fraction operations.</p> <p>https://tinurl.com/v8fc2olb https://tinurl.com/v84e3px7</p>	<p>Measurement</p> <p>Practice finding volume using unit cubes and layers with the review sheets linked below.</p> <p>Check your fluency with measurement conversions using the 2nd link below.</p> <p>https://tinurl.com/va8vowd7 https://tinurl.com/vd6ccwlt</p>	<p>Geometry</p> <p>Complete the google review form below on the hierarchy of quadrilaterals.</p> <p>Can you recreate the quadrilateral hierarchy without looking at your notes? Try it!</p> <p>https://tinurl.com/v7abku5g</p>	<p>Operations & Fluency</p> <p>Use the links below to practice multiplying with multi-digit factors that include multiples of ten. What patterns can you describe from the problems?</p> <p>https://tinurl.com/vaxtm5qv https://tinurl.com/v89e2wry</p>
Science & Social Studies	<p>U.S. History</p> <p>Log into Newsela and follow the instructions on the pdf for the Civil War Unit.</p> <p>https://tinurl.com/v9osru9u</p>	<p>Tennessee History</p> <p>A Closer Look at Yellow Fever from Pink Palace Museum.</p> <p>https://tinurl.com/v8azc8od</p>	<p>Earth & Space</p> <p>Review the facts we have studied about our sun in The Sun, Our Living Star Planetarium Show from Pink Palace Museum.</p> <p>Can you explain the one thing that makes the sun so much brighter than other stars are to us?</p> <p>https://tinurl.com/v72h33gd</p>	<p>Life Science</p> <p>In the video below, you will learn about one of nature's greatest migration spectacles, plunging viewers into an underwater feeding frenzy, an epic struggle for survival when ocean life collides with the most voracious sea predator. What do you think that predator is? What can be done to help?</p> <p>https://tinurl.com/v8cb83wj</p>	<p>Virtual Field Trip</p> <p>Powering the Planet: Renewable Energy</p> <p>Join scientist Alex Wegmann as we embark on a Virtual Field Trip to explore a compelling question: How can we get the energy we need without harming nature? After viewing the field trip, try and create your own renewable energy source, a solar powered oven!</p> <p>https://tinurl.com/v7ynmdfc https://tinurl.com/v8r46r7e</p>
MAPS	<p>Guidance</p> <p>Complete the mindfulness workbook and discuss it with your family.</p> <p>https://tinurl.com/vbtdmvyb9</p>	<p>Library</p> <p>Let's have some fun with wacky tales. Use the link provided to create your own Mad Libs. If you can't get online, create your own fill in the blank sentences and ask a family member to give you random words to complete your own wild story.</p> <p>https://tinurl.com/252eb</p>	<p>Music</p> <p>Learn a song from the oldest person in your family. Watch the video for details!</p> <p>https://tinurl.com/v8c4sx75</p>	<p>Art</p> <p>Positivity Poster: Try creating and displaying a poster that encourages positivity & kindness to those around you. Consider using symbols of hope and kindness- heart, rainbows, etc. You can create your poster using basic drawing supplies such as crayons and markers, or even use collage or paint.</p>	<p>PE</p> <p>Have a family workout with our 100 Exercises Workout! Use the poster board in the first link below. Check out the Family Fun Challenges calendar in the 2nd link below for some great suggestions to get you movin'!</p> <p>https://tinurl.com/vbe2xv8u https://tinurl.com/v7nrc4vm</p>

Other learning opportunities that we recommend include:

- Independent Reading (30 minutes a day would be great!)
- AR Tests
- DreamBox Lessons (about 2 per day or 8 per week)
- Practice Math Fact Fluency
